What does Health + Wellbeing look like to you and your family?

Create a poster to show how you define wellbeing through the arts! We will select artwork to be displayed throughout local NYC neighborhoods.

WHY:
As part of the We Are A Work of Art Health + Wellbeing Initiative, we want to amplify your family's cultural knowledge and inspire collective wellbeing and self-care practices that engage our mind, bodies and spirits beyond the classroom.

WHAT:
Posters, drawings or paintings to express wellbeing through art

WHEN:
Email artwork by June 30, 2022

WHERE:
Selected artwork will be printed as a set of postcards for the artist to keep, to share with our community online and at Cool Culture events, and as posters to display in your school or center and local community based organizations!

WHO:
Open to all NYC parents and caregivers, children and educators. This is also a great activity for grandkids, grandparents, aunties, uncles and cousins to do together!
